Make Chimpanzee Action Figures

Instructions

Print out the 2 sheets of patterns.

Cut out the pieces on the first sheet along the dark lines.

Carefully use a straightened paper clip to make a starter hole on the dots.

Connect the pieces with a paper brad as shown.

Cut out the pieces on the second sheet along the dark lines.

Use a straightened paper clip to make a starter hole on the dots.

Connect the pieces with a paper brad as shown.

Try This, Too!

You can pose your chimpanzee to express specific messages with body language.

Once you have the pose, trace around the outline on a piece of paper and label the body language shown.
